

Cambridge 17. June 1862
Dear Bruce

Thanks for the
World. Who will
to destinies?

It is, I suppose your
article on Darwin - a
very good one, for its per-
me and space

Before you too emp-
dently reject the evidence
for the existence of man
in the Diluvial period -
just turn over a very im-
partial and good article
by Dietet - a good judge
of such matters, in the
March no. of Bibliothèque
Universelle, de Genève.
"De la Justice sur l'homme
fossile".

I presume it is in the
Astor Library. If it
is not, you may tell
Mr. Brynall ~~there might~~
as well not be any
Astor Library.

I am sure, however, ~~and~~
and asks for yours of
your sister Mary

Ever the same

A. Gray
